Beautiful British Columbia – that is what it says on every license plate registered in BC. There are many things that make BC beautiful: the mountains, the ocean, the nature; but what makes BC the most fantastic place on earth is the Vancouver Canucks. The Vancouver Canucks were formed in 1945. They were not a part of the NHL until 1970. To be a Canuck means being a hard worker, a good sport, and dramatic. As a team, the Canucks are very hard working. In their early years they won the Pacific Coast Hockey League Championship. They have won multiple President's/Lester Patrick Cup's and they have made it to the Stanley Cup finals 3 times. Throughout history, the Canucks have shown tremendous sportsmanship. EXAMPLE GOES HERE. DRAMATIC: Example + proof. Clearly, being a Canuck means being hardworking, good sports, and dramatic.
