Dear Parents/Guardians,

During the school year, to increase engagement and learning opportunities, students will experiment with geocaching. Students enrolled in English 9 and 10 this year will be walking in the neighbourhood of the school. This can happen sporadically, weather permitting. Because we are leaving school ground, it is required that we have your permission.

Please note that accidents may be the result of the nature of the activity and may occur with or without any fault on either the part of the student, the teacher or the facility where the activity is taking place. By allowing your son/daughter to participate in this activity, you are accepting the risk of an accident occurring and agree that this activity is suitable for your child.

Students must return their signed informed consent form in order to participate.

Sincerely yours,

Ms. Lauren Citton
English Teacher
Grades 9/10
