Note: MLA formatting is very boring, but it looks clean cut, and professional. No fancy fonts. All 12 Point font, and no **bold**, *italics*, or underline anywhere – unless it is WITHIN your essay.

Title

Essay/Response.

- Double Spaced
- 12 point font
- Left Alignment (except for the indented paragraph)

MLA Format Example:

Truth or Dare

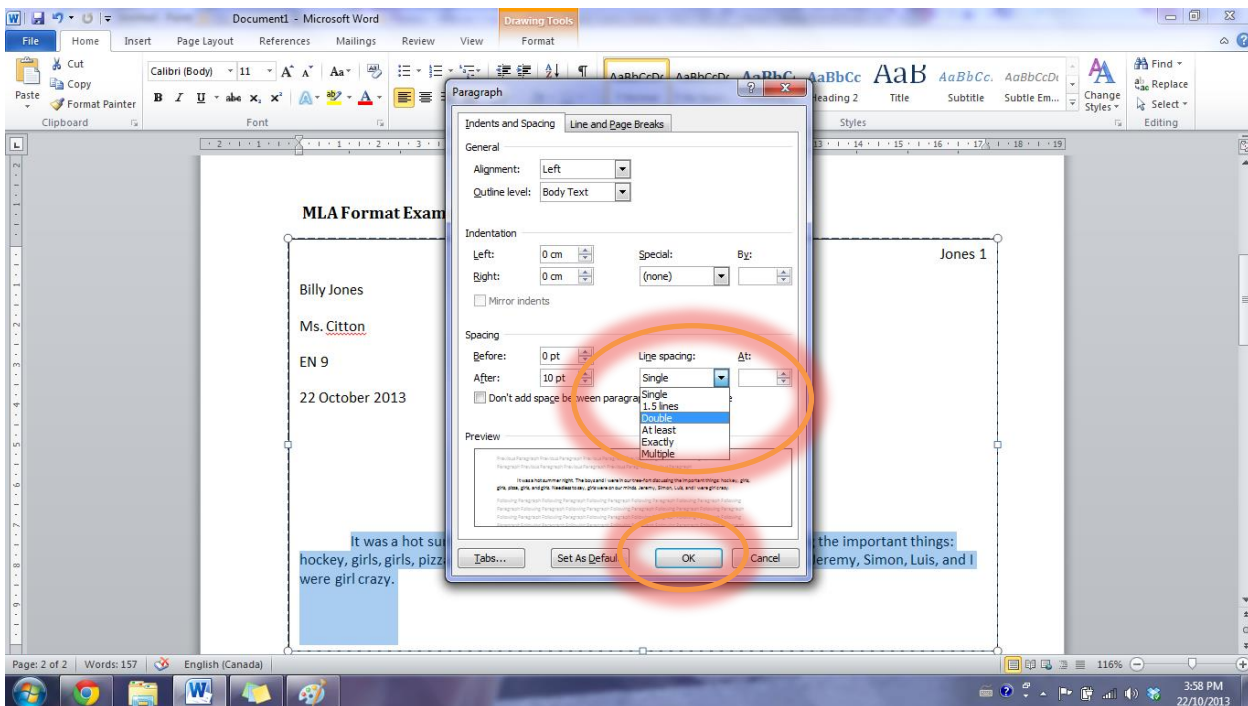

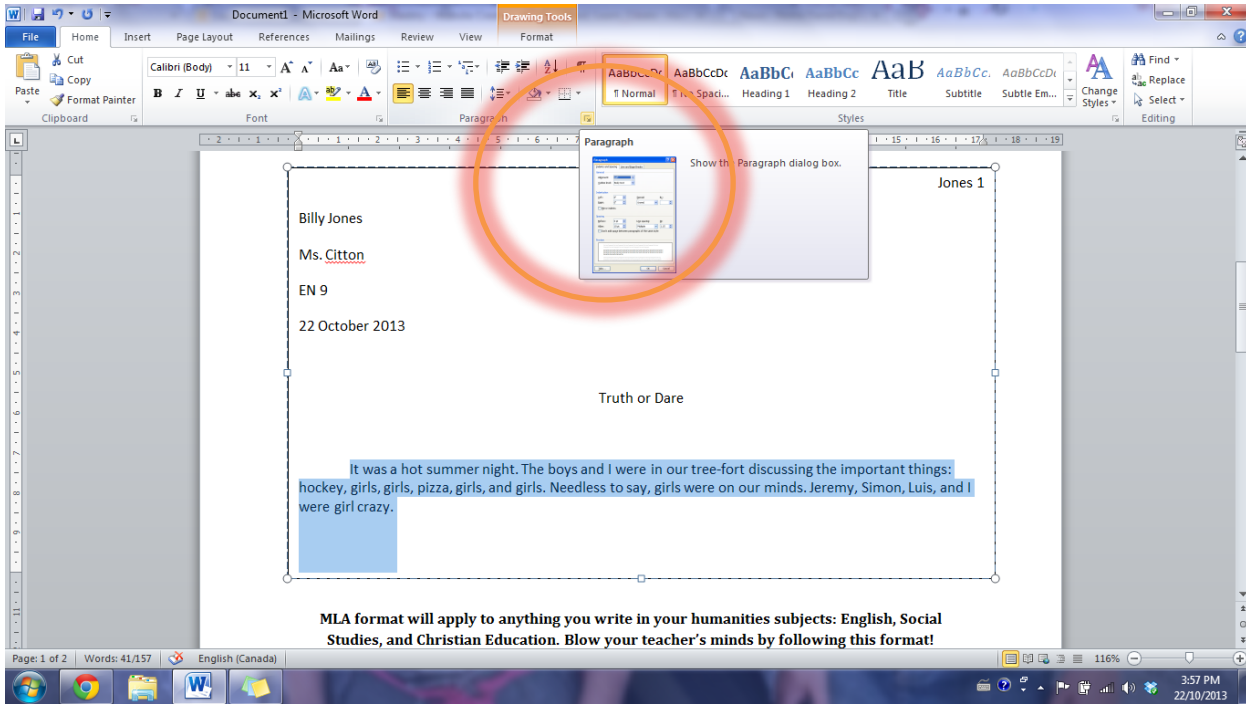

It was a hot summer night. The boys and I were in our tree-fort discussing the important things: hockey, girls, girls, pizza, girls, and girls. Needless to say, girls were on our minds. Jeremy, Simon, Luis, and I were girl crazy.

MLA format will apply to anything you write in your humanities subjects: English, Social Studies, and Christian Education. Blow your teacher's minds by following this format!
